Tell them they have 3 chances to try to get the right words, they don't need to get the whole sentence, just the comparative form. ex. closes, faster, etc. Then, play the Video below. Song 1 extract is recorded 3 times in a row. Pause the video. Students write down the answer for song 1. (play more times if necessary).

## Step 4

Check what the teams wrote down (you can use the chat feature of the application you're using with your online students. ex: [in-meeting chat in zoom](#) , and ask them to use it to send you the answers. Assign points. (1 for each right answer, if there is more than 1 item in the recording)

## Step 5

Repeat steps 2, 3 for the next song parts. The team with more points, in the end, is the winner!
