

Wake up and smell the coffee Is your cup half full or empty?	10	You see a piece of paper Could be a little greater	11
When we talk, you say it softly But I love it when you're awfully quiet, quiet	09	Show me what you could make her You'll never know until you try it You don't have to keep it quiet	12
And I know it makes you nervous But I promise you, it's worth it	01	To show 'em everything you kept inside Don't hide, don't hide	03
Too shy to say, but I hope you stay Don't hide away Come out and play	08	Look up, out of your window See snow, won't let it in though	06
Leave home, feel the wind blow 'Cause it's colder here inside in silence You don't have to keep it quiet	05	Yeah, I know it makes you nervous But I promise you, it's worth it	04
To show 'em everything you kept inside Don't hide, don't hide	02	Too shy to say but I hope you stay Don't hide away Come out and play	07
