STEP-BY-STEP LESSON PLAN

Step 1 (5 min)

Tell your students that you are going to review vocabulary with a listening game called MUSICAL OBJECTS, in which they will listen to songs and identify from a list of objects (A-D), which one they hear.

There are 5 song extracts in the game.

Step 2 (5 min)

Divide students into pairs or trios (it can also be done individually, depending on the number of students).

Step 3

video [LINK](#)

Tell them they have 3 chances to try to get the right things, and write down the correct Letter. Then, play the Video. Song 1 extract is recorded 3 times in a row.

Pause the video at the beginning to check that all students know the objects on the screen. Have some students say the names of the objects.

Then, resume the video and have students write down the right letter.

important: after each song extract, there's a check screen and right after it the right answer is shown, so make sure to pause the video again before the right answer appears!

Step 4

Check what the teams wrote down (you can use the chat feature of the application you're using with your online students. ex: [in-meeting chat in zoom](#) , and ask them to use it to send you the answers. Assign points (1 for each right letter).

Step 5

Repeat steps 3, 4 for the next song extracts. The team with more points, in the end, is the winner!

LIRICS KEY:

SONG 01

NEFFEX – Tell Me What You Want
I don't need cash or cars
I need black **guitars**
I need plaques for art yeah....
I need shooting stars
And a few more scars
Maybe a few cigars yeah...

Song 02

NEFFEX – DON' T LET GO
I just don't wanna feel anymore
Open up your **eyes**
To reveal all of the lies
I'm so sick of your disguise
That's no way to live your life

Song 03

NEFFEX – Play dead
But if I lay down, and I play dead,
and I stay dead
Baby you'll get, sick of being the
monster out of my head, under my
bed
Think you're something out of my
nightmares,

Song 04

NEFFEX – Play dead
I can feel the sweat inside my palms
Play with me like **cats** and a string
You don't understand the pain it brings
You don't ever wanna give me wings
You don't ever wanna set me free

Song 05

Better days
I'm lookin in the **mirror**
So foggy but I've never seen
clearer
I don't really think anyone can
save me, and honestly I'm not
really sure I want saving
I like to be my own worst
enemy
There's no risk if you don't try
anything

That's it for this week! I hope this activity is helpful and enjoyable!
