Lyrics:

[Verse 1]

You live the _____ [1], but you're still a dreamer

Your glass is full, but you're never fulfilled

Your grass is green, but their _____ [2] is greener

You'll never make it to the top of the _____ [3]

[Chorus]

If this ain't enough, I don't know what you're waiting for

Is it _____ [4]? Is it _____ [5]? Is it something, but you're just not sure?

Well, I don't know what you're hoping to find but a happy _____ [6] and a peaceful _____ [7]

And if this ain't enough, then I don't know what you're waiting for

I just don't know what you're waiting for

[Verse 2]

You've come so far, but you keep pushin' farther

You've won the battle and you've won the _____ [8]

You feel the burn, but you keep pushin' harder

But who the hell are you doing it for?

Repeat [Chorus]

[Bridge]

Some _____ [9] got it all but never see what's under their _____ [10], yeah

You've got a beautiful garden, but you never stop to smell the roses

If you stick or twist, then twist if you must, I suppose

But only if you're sure

It's really too big to ignore

[Chorus]

I just don't know what you're waiting for

Don't know what you're waiting for

I don't know what you're waiting for

Don't know what you're waiting for
