Drink some whine in **WORD**
But even if you cut it shorter
You'll always have long, **WORD** hair
You'll always be Memphis queen
You'll always be my firsrt time, in New Orleans

[Chorus]

No matter where I go, no matter what I do
I'll never bee twenty-three, with anyone

You can marry who you want
Go back to **WORD**
But you'll never be twenty-three with
anyone but me
We'll always have Folly Beach
We'll always have Delta **WORD**
We'll always be in between real love and
real life

Straighten out your accent in the city
Like your folks ain't from Mississippi, yeah

Wearing those **WORD** you always hated

I bet you think about back then
I really hope you're hapy now
I'm really glad I knew you then

[Verse 3]

You'll always have your first last name
Standing in that **WORD** rain
Telling me your mind has change
