

Song Battle - Six Feet Apart - Reading and Use of English part 7

You are going to read the lyrics of two songs about the COVID-19 quarantine.

For questions 1-10, choose from the parts (A-F).

The parts may be chosen more than once. When more than one answer is required, these may be given in any order.

In which part of the songs do we read about...

The singer feeling lonely?

1

the sound insects make?

2

the singer's family?

3

4

different kinds of entertainment?

5

a great number of people together?

6

the singer using metaphor to talk about distance?

7

the singer talking about going to the past?

8

personal hygiene?

9

the singer doing something creative?

10

SONG 1: Six Feet Apart by Luke Combs

A

[Verse 1]

When the dogwoods start to bloom
And the crickets hum their tune
It's usually about the time
That I feel most alive
But the news has all been bad
And the world just seems so sad
I ain't had much else going on
So, I sat down and wrote this song

B

[Chorus]

I miss my mom, I miss my dad
I miss the road, I miss my band
Giving hugs and shaking hands
It's a mystery, I suppose
Just how long this thing goes
There'll be crowds and there'll be shows
And there will be light after dark
Someday, when we aren't six feet apart

C

[Verse 2]

The first thing that I'm gonna do
Slide on in some corner booth
Take the whole damn family out
Buy my buddies all a round
Pay some extra on the tab
Catch a movie, catch a cab
Watch a ball game from the stands
Probably over-wash my hands

SONG 2: Six Feet Apart by Alec Benjamin

D

[Verse 1]

They say distance is relative
And relative to relatives I have
I'd say I'm relatively close
To breaking down
Because right now
I feel so alone
I've been missing the elements and
Wishing the elephant in the room
Would leave and kindly close the door
I can't ignore
Him like before
Not anymore

E

[Pre-Chorus]

Oh, I miss you most at six feet apart when you're
Right outside my window, but can't ride inside my car
And it hurts to know just how lovely you are
And be too far away to hold, but close enough to break my heart
I miss your smile
Feels like miles
Six feet apart

[Chorus]

So far, so far, but so close
Like a star out in the cosmos
Can't touch the beauty I see
That's how it feels at six feet

F

[Verse 2]

Space and time are interwoven
Well, at least that's what we're told
When I was young, I was suspicious, but it's true
Time sticks like glue
I feel so blue
Here missing you
So I think I'll build a time machine and go back to a time
When we didn't need to measure six feet on the ground
When I came around
That's not allowed
I can't go back now
