USE OF ENGLISH PART 2

For questions 1 - 10, read the lyrics below and think of the word that best fits each gap. Use only one word in each gap. There's an example at the beginning [0]

"To Be Human - Marina"

The pagodas [0] and the palaces
dressed in gold leaf
Hide the damages
Spot the Geisha as she balances
Life's a cakewalk, full [1].....
challenges

Go[2]..... Russia, see the Red Square
Lenin's body lying dead there
From Kyoto, Hiroshima
Watch the black cloud crawling nearer

There were riots [3] America
Just [4]..... things were getting
better
All [5] things I've done and seen
Still I don't know what life means

Chorus:

All the people living in, living in the world
today
Reunited [6]..... our love, reunited by
our pain (ooh)
All the things that I've done and I've seen
Still I don't know, don't know what it
means

Fly to Athens, pass the Parthenon
See the village [7] my father's
from
To Chicago, from Angola
São Paulo to Verona

And anywhere you go, you'll see (o-o-oh)

People are just [8] you and me
(o-o-o-o-o-o-oh)
All the things I've done and seen
Still I don't know what life means

Repeat chorus

To be human
(Oh-oh-oh-oh-oh-oh-oh, oh,
oh-oh-oh-oh-oh-oh-oh, oh)
Still I don't know, don't know what it
means
To be human, a real human being

I like to think [9]..... how we all look
from afar
People driving fancy cars [10]..... like
beetles to the stars
The missiles and the bombs sound like
symphonies gone wrong
And if there is a God they'll know why it's
so hard

To be human
(Oh-oh-oh-oh-oh-oh-oh, oh,
oh-oh-oh-oh-oh-oh-oh, oh)
To be hu-
Still, I don't know, don't know what it
means
To be human, a real human being

To be human, I want direction
I wanna feel human again
To be human, lost my direction
I wanna feel human again
To be human, to be human
To be human, to be human
