

SONG A LYRICS

[Verse 1]

Hotel rooms, me and you
No words to say so we laid there
I kinda wished that we'd stayed there
Record straight, you were safe
I was the one needing saving
You were too scared of the craving

[Pre-Chorus / Refrain]

I pulled away 'cause the pain's too strong
And you were sayin' that we don't belong
You're gonna lose me if you wait too long
Tell me what am I to do with this
I was right at your fingertips
I'm moving on but it's you I miss

[Chorus]

If you ever change your mind
I don't know if I'll take you back
But you know that I'll be thinking 'bout that all
night
If you ever change your mind

I told myself I won't relapse
But you know when you touch me like that
I might

[Post-Chorus]

If you ever change your mind
If you ever change your mind
Your mind, your mind
Your mind, your mind

[Verse 2]

Far away
Made your move
Better off keeping my distance
But I forget with forgiveness
And when I'm alone for long enough
And the rain hits the pavement and lights are
like that
I think of you
And if I held you one last time

SONG B LYRICS

[Verse 1]

You want the girl with the small waist
And the perfect smile
Someone who's out every weekday
In her dad's new car
You tell me I shouldn't stress out
Say, "It's not that hard"
But I just got a feeling
This will leave an ugly scar

[Pre-Chorus]

If you say, "She's nothing to worry about"
Then why'd you close your eyes when you
said it out loud?

[Chorus]

Stupid boy making me so sad
Didn't think you could change this fast
She's got everything that I don't have

How could I ever compete with that?
I know you'll go and change your mind
One day wake up and be bored with mine
She's got everything that I don't have
And she's all I wanna be, all I wanna be so
bad, so bad
She's got everything that I don't have,
hm-mm

[Verse 2]

You want someone you can show off
Whenever you go out
She'll wear a tight mini black dress
With all her friends around
And then you'll probably spend the night at
Her nice big house
And by then I'll just be someone
You've forgotten about, oh

SONG C LYRICS

[Verse 1]

You know I go insane every time you have to
catch a flight (Ah, ah-ah-ah)
Well, can I take you to the airport?
Make out under the bathroom lights (Ah,
ah-ah-ah)

[Pre-Chorus]

Put your lips on my lips
I'll remember your kiss on the nights when I
miss you
Somethin' I can't forget when I'm restless in
bed
Yeah, you got me obsessed (Mm)

[Chorus]

Oh, don't you leave me this way
Won't you wait another hour or two?
You know I need you to stay

Don't make me beg for you 'cause I'll beg for
you

[Post-Chorus]

Yeah, yeah, yeah, uh, yeah
Beg for you, beg for you (Yeah)
Beg for you, beg for you, mmm (Yeah)
Beg for you, beg for you (Yeah)
So don't you leave me this way (Uh, yeah)

[Verse 2]

You're like an ocean breeze, comin' and goin'
just as you please (Ah, ah-ah-ah)
Separated by a degree, hesitate and I lose
you
So far out of reach
(Ah, ah-ah-ah)
